

BRAND

Aero Pure

DESCRIPTION

The Moisture Control Sensor acts as a dehumidistat working with your exhaust fan to control bathroom humidity and help prevent mold growth. Finish in White. The wall mount 120 volt rotary dial timer automatically turns the fan on and off depending on the set points and features variable settings from 20 to 80 percent relative humidity (RH). Meets California Title 24 standards when used with an Aero Pure Energy Star qualified exhaust fan.
