Pablo

**DESCRIPTION**

The Circa floor lamp designers wanted to create a product that was revolutionary yet familiar. The Circa floor lamp with pedestal features a pedestal that easily supports tablets and other mobile devices. Circa's defining feature is a flat-panel LED disc that moves fluidly above its axis point. This mobility allows the lamp to assume an infinite number of positions while functioning as a task lamp that provides balanced, ambient light. Circa also supports a user's mobile devices by integrating a USB charging port. Circa also features 360 degree shade rotation, 45 degree shade tilt, 4-stage dim control and glare free illumination. Available in White or Graphite. ETL and CE listed.
