**DESCRIPTION**

Duii Table Lamp surprises and amuses due to its personality, starting with its name, inspired by one of Donald Duck's friendly nephews. The base also recalls a duck's foot, the articulated arm, held together by wing screws like bits of Meccano, supports a rounded body, a shape that in turn recalls a multitude of memories and inspirations: retro car headlights, a workman's hard hat but also the Mohican style shaved head of the Diesel brand. A lamp created for the more playful and non-conventional spirit of all ages. Available with Pressed Glass and Yellow or Grey finishes. One 40 watt, 120 volt T4 type G9 base halogen bulb is required, but not included. UL listed. 6.25 inch width x 29.13 inch height x 13 inch depth.
