Diesel Living

DESCRIPTION

Fork Adjustable Table Lamp is inspired by casual fashion, by campsite tents and by an informal, playful and dynamic lifestyle. The stitching on the fabric has been created like that on jeans and the rings are not merely decorative, but respond to practical needs with simplicity and immediacy. The light inside reveals a patchwork structure and the texture of the canvas, a little like when you turn on a light inside a tent. The lampshade is extremely flexible and can be oriented 360 degrees. Available with an Ivory or Grey dyed linen shade and an Ivory or Brown finish. Available with an On/Off switch or Dimmer switch.
