

# Convert 20 Watt LED Flush Mount

**Description:**

Convert 20 Watt LED Flush Mount is available in a White or Satin Nickel finish with White glass. Now you can convert a standard 3.25 inch outlet box to a low profile LED fixture. Converts design allows for the driver to install into the electrical box which creates a fixture with only a 1 inch extension from the ceiling. High efficiency and smooth dimming down to 5 percent makes this an excellent choice hallways, kitchens, and utility lighting. UL listed for damp locations. One 15 watt, 120 volt, 2800K LED lamp is included. 1400 Lumens, 80 CRI. Dimmable with standard Lutron or Leviton CL dimmer. 8 inch width x 1.1 inch height.

Shown in: White / White
