

DESIGNER Sean Lavin
BRAND Visual Comfort Modern

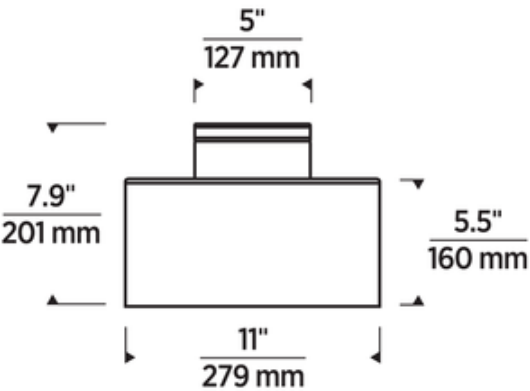

DESCRIPTION

The Manette Semi Flush Ceiling Light is made of a sleek die-cast metal base and cylinder glass shade, providing even illumination free of hot spots. Use it as a single light in a bathroom or closet, or install multiple down a hallway. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass is a living finish that will patina and warm over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.
