

**BRAND**

Legrand Adorne

**DESCRIPTION**

The adorne 120 Volt Paddle 450 Watt CFL/LED Dimmer features smooth paddle action for turning lights on and off plus easy slider for adjusting lights to the desired level. For use with dimmable CFL/LED bulbs or fixtures in both single pole and 3-way applications. Pair with a locator light (sold separately) to add illumination. Features Microban antimicrobial technology which helps fight the growth of stain and odor-causing bacteria. Note: Paddle switch must be paired with an adorne screwless wall plate, sold separately.
