

**BRAND**

Legrand Adorne

**DESCRIPTION**

The Adorne Plastic Screwless Plastic Wall Plates are available with a variety of classic and contemporary colors. They provide the perfect finishing touch to any installation. Innovative screw-less design ensures easy installation by simply snapping into existing metal frame. Available as a one, two, three or four gang wall plate in all colors. All colors except Satin Light Almond available in five and six gang wall plates. Dimmers and switches sold separately.
