

**BRAND**

Eurofase

**DESCRIPTION**

IC04 4 Inch 12 Volt IC Airtight New Construction Housing is for use in insulated ceilings and direct contact with insulation. This housing incorporates a box which creates an air space between the inner fixture and the insulation. Unless there is access from above via the attic, the size of the box makes insulated housings suitable only for new construction applications. Consult local codes for the requirement of a vapor barrier extender, not included. Nail-free hanger bars are adjustable from 13.6 to 24 inches. Includes magnetic transformer. One 50 watt 12 volt MR16 GU5.3 base bulb (or LED equivalent) is required, but not included. Dimmable with a low voltage magnetic dimmer, sold separately. Consult with bulb manufacturer for dimmer compatibility when using LED equivalent (must be compatible with a low voltage magnetic transformer). ETL listed. 9 inch width x 7.75 inch height x 24 inch length. A complete fixture includes a housing and trim, sold separately.

<b>TRIM COLOR</b>	N/A
<b>BODY FINISH</b>	Aluminum
<b>WATTAGE</b>	7W
<b>DIMMER</b>	Low Voltage Magnetic
<b>DIMENSIONS</b>	24"L x 12.6"W x 7.75"H x 9"D
<b>BULB NOT INCLUDED</b>	
<b>LAMP</b>	1 x MR16/GU5.3 (bipin)/7W/12V LED
