DESCRIPTION

Element Disc Table Lamp is available in White. From its elegant, minimal aesthetic to its next generation technology, Element Disc is leading the LED revolution. Utilizing innovative Thin Film LED Technology, Disc offers seven levels of dimmability with just an effortless pinch of the light head. Taking advanced LED technology to a new level of sustainability, Disc features an occupancy sensor that turns the unit on or off when the user enters or leaves the area. When not in use, Disc folds into a compact nesting position, with the form of the lamp head gracefully echoing that of the base. One 7 watt, 120 volt, 3000K LED lamp is included. 28 inch width x 18 inch height.
