

BRANDLightology Collection

DESCRIPTION

The Nastro Suspension consists of seven rectangles of aluminum on swivel joints. The end caps are lit and complete the arrangement. Supported by four plated, copper braided ropes, this highly variable design allows countless arrangements including linear and bent to the semi-circular shape. Each arrangement generates its own light image. Ten 3.5 watt 120 volt LED modules are included. 62 inch width x 100 inch overall length.
