DESCRIPTION

Dune Wall Sconce is available in a Satin Nickel finish with Sand, Mocha and White or Black and Sand glass. Mouth-blown in Venice, Italy by glass blowers who are the very best at casting glass in multiple, thin layers. The shade is then ground in various patterns. These cuttings reveal the inner color and create accent on the shade. No two shades are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty. One 75 watt, 120 volt A19 type Medium base Incandescent lamp is required but not included. 6.5 inch width x 14 inch height x 3.25 inch depth. UL Listed. ADA Compliant.
