

R533 PAR30 Open Back Spotlight Track Fixture 120V

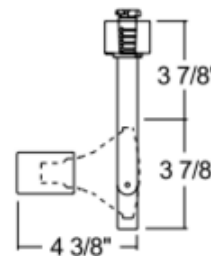

Description:

R533 Open Back Spotlight Track Fixture features 90 degree vertical aiming capability and 358 degree rotation. Finish available in Black or White. Medium base porcelain socket with nickel plated copper screw shell. Copper alloy contacts provide precise spring action. True, positive electrical ground. On/off switch included. Patented embossed polarity arrows on bottom of adapter. Spring-loaded locking latch with embossed polarity arrows secures track light to track. Pull up contact to up position for use on two-circuit. One 75 watt, 120 volt PAR30 medium base halogen bulb or LED equivalent is required, but not included. Halogen dimmable with a standard incandescent dimmer. Consult bulb manufacturer for dimmer compatibility when using LED equivalent. Compatible with Juno Lighting Trac-Lites 1-circuit and Trac-Master 1-circuit and 2-circuit 120 volt line voltage track systems.
