

**BRAND**

Juno Lighting

**DESCRIPTION**

ULH Pro-Series Halogen modular undercabinet series fixture features an integral electronic transformer that operates 12 volt halogen lamps for optimal color rendering with maximum light output and lamp life. The efficient operation of low voltage lamps, along with a unique housing and reflector system, reduces mounting surface temperatures far below typical halogen undercabinet fixtures. Designed for fast, permanent installation, mounting either flush to the rear backsplash or to the front lip of cabinetry. Clear prismatic tempered glass lens for maximum light transmission. Reverse angled to minimize perceived brightness. Hinged lens captured by spring loaded retention bar provides secure closure. Modular design for maximum flexibility and quick installation enables up to 10 fixtures to plug together. Features integral Hi/Lo/Off rocker switch. Dimmable with a low voltage electronic dimmer, sold separately. UL listed. Optional mounting accessories available, sold separately. Note: Some options are no longer available.

<b>SHADE COLOR</b>	Clear
<b>BODY FINISH</b>	White
<b>WATTAGE</b>	20W
<b>DIMMER</b>	Low Voltage Electronic
<b>DIMENSIONS</b>	9.5"L x 4.5"W x 1"H
<b>BULB INCLUDED</b>	
<b>LAMP</b>	1 x JC/G4 (bipin)/20W/12V Halogen
