DESCRIPTION

Uto Pendant is a multi-purpose lamp which can fill a variety of roles thanks to its long, flexible tube. While it can be suspended from the ceiling like a normal pendant, the tube can be arranged along the wall or ceiling or rested on a surface to create creative installations. On/off switch located above lamp head within the tube. IP44-rated. Note: The Uto Pendant's 3.125 inch canopy is too small to cover a standard 4 inch junction box.
