

Wall Retro Outdoor Down Light

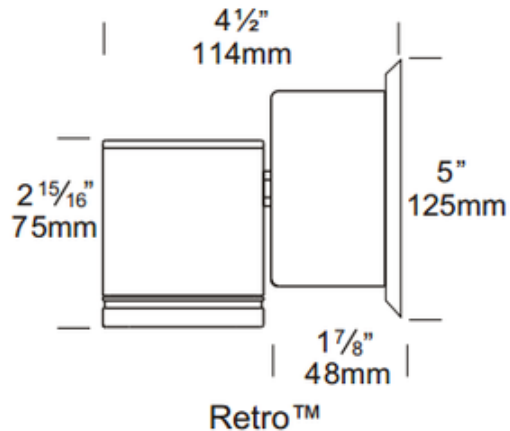

Description:

Wall Retro Outdoor Down Light Wall is a wall mounted luminaire with a fixed head to give a dramatic washlighting effect on walls. It can be directed either downward or upward. The Retro is a line voltage option suited to an installation where mounting a transformer is a problem or when replacing an existing fixture. The base depth increases 1.9 inches to accommodate the encapsulated dimmable electronic transformer. All USA Retro wall mount fixtures are supplied with a wide backplate designed to suit a standard 3/0 or 4/0 junction box. Finish in solid Copper with a clear tempered stepped glass lens and high temperature silicon gaskets. Includes one 20 watt 12 volt GU5.3 MR16 halogen lamp. UL listed. IP66 rated for wet locations. Made in New Zealand.

Shown in: Copper
