

# Lawn Light Outdoor Deck Mount Fixture

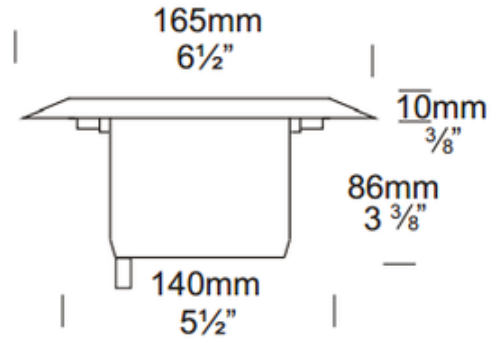

**Description:**

Lawn Light Outdoor Deck Mount fixture is designed to be mounted into timber decks. The lamp can be directed up to 20 degrees at a bush, tree, or the outside of a building, without the need to remove the fixture from the deck due to the vandal-resistant three stainless steel allen head screws fixing system that attaches the flange to the body of the luminaire. The Flush Fit lens stops water from pooling and depositing dirt on the lens. Flange available in solid Bronze with Black body finish. Includes one 20 watt 12 volt GU5.3 MR16 lamp. UL listed. IP66 rated for wet locations. Requires low voltage transformer, sold separately..

Shown in: Bronze
