

H99ICAT 4 Inch IC Air-Tite New Construction Housing

Description:

H99ICAT 4 inch IC Air-Tite new construction housing features a double wall aluminum construction for greater heat dissipation, and is designed for use in insulated ceilings with direct contact to insulation. May be used to meet insulated ceiling and restricted air-flow requirements. The inner housing can be removed from the plaster frame to provide access to the junction box. UL listed. Damp location listed. Wet location listed with select trim options. Lamp ratings based on trim selected, sold separately.
