Description:

Cody plug in LED picture light is simply the most elegant low profile LED picture light available. Producing uniform, efficient illumination, this is perfect for contemporary or traditional frames. Available in a 6 inch width in Black finish, and a 12 inch width with Antique Bronze or Black finish. High CRI and 3000K warm white color temperature. Available in custom sizes. 6 inch version includes 6 LED watts and provides 189 lumens. 12 inch version includes 12 LED watts and provides 378 lumens. 50,000 hour lamp life with 70 percent lumen maintenance. Pivots 0 to 90 degrees vertical and 0 to 20 degrees horizontal. Cody 6 provides uniform illumination to frames from 8 inch width x 10 inch height to 24 inch width x 18 inch height. Cody 12 provides uniform illumination to frames from 24 inch width x 32 inch height to 32 inch width x 32 inch height. Cody includes a 12 volt Class 2 power supply, a 10 foot long cord with plug, and dims with a standard electronic low-voltage dimmer (recommended Lutron Skylark or Lutron Diva). Canopy mount hardwire option available. Adjustable mounting bracket for frames up to 50 pounds is provided. Fixture includes a 3 year warranty.
