

IC1P 4 Inch New Construction IC Housing

Description:

IC1P 4 inch New Construction IC Housing features an energy efficient, double wall housing made of aluminum. IC designation allows for housing to be covered with insulation with no separate gasket required. Socket is detachable medium base porcelain with nickel-plated copper screw shell. UL listed for through-branch wiring, damp and IP. Product thermally protected against improper use of lamps. One 120 volt medium base lamp is required, sold separately. Lamp type and wattage dependent on housing/trim combination. A complete fixture includes a housing and trim, sold separately.

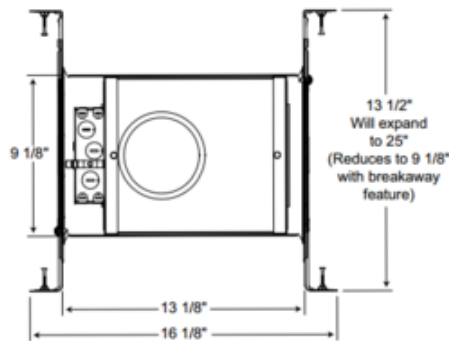

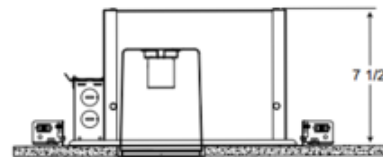

Shown in: Aluminum

List Price: \$48.84
