

# UTO Table/Floor/Suspension Lamp

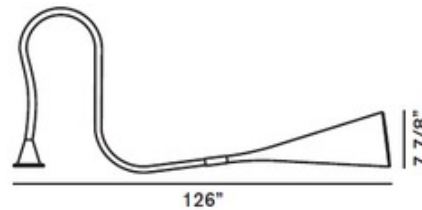

**Description:**

UTO is a multi-purpose lamp which can be used as a ceiling or floor lamp, indoors or outdoors. Foscarini's UTO lamp is the first model able to completely interact with the user's desires: designed to respond to requirements of total flexibility in every single detail. It is ideal for use both indoors and out, it is a floor, ceiling or hook lamp that can be positioned freely as one wishes and is able to follow the individual from one room to the next. Features a polycarbonate white, yellow or orange silicone body. Suitable for damp locations. One 60 watt, 120 volt, G25 medium base incandescent lamp not included. General directional light distribution. 7.88W x 126L.
