

Glas Adjustable Table Lamp

Description:

Glas Adjustable Table Lamp features a sandblasted White glass shade or glossy finish blown glass diffuser processed with a technique that renders the glass polished and reflective like metal when off. When turned on the glass turns into a warm pale grey color. The base, rod and counterweight are made of nickel-plated steel with a polished finish. Requires one 20 watt 120 volt medium base compact fluorescent lamp not included. 8.6 inch width x 21.75 inch depth x 23.1 inch height.
