

BRAND PureEdge Lighting

DESCRIPTION

Dot Round LED under cabinet fixture provides 1 watt of warm white light with a 30 or 90 degree beam angle making it ideal for under cabinet illumination. May be surface mounted or recessed by removing the included collar. Includes 96 inch cord/plug port, wire clips and screws. Fixture plugs into a 4 or 8 port hub allowing multiple fixtures to be wired together. The hub distributes the low voltage power from the LED power supply. Note: Required 12V power supply and optional accessories sold separately.
