PureEdge Lighting

DESCRIPTION

The Sun3 3 Inch Round LED Recessed Uplight or Steplight is rated for outdoor/ocean front environments using a wet location electrical box, or used as an indoor fixture using a standard octagon electrical box. Features an 8.8 watt high powered warm white LED with a 16, 23, 36 or 47 degree precise focus, tempered glass lens with marine-grade aluminum beveled edge trim. Can be powered with a 12V TE-60L-12 LED electronic low voltage (ELV dimming), or 12VAC T-150-12 or T-300-12 magnetic low voltage power supply (MLV dimming). Accepts Dichroic color filters and other optical elements when used with the SUN3-LL(H) louver lens holder, sold separately. Required remote transformer, junction box cover, wood spring clips (for installation in decks), and optional accessories sold separately.
