

Stratus Indoor RGB Wall Grazer

Designer: Gregory Kay

Description:

Stratus Indoor RGB Linear Wall Grazer is a specification grade fixture for recessed or surface mount applications. Includes a Non-IC housing for use in new construction residential and commercial, and remodel applications. Lights textured walls up to 30 feet high. Available in 1 foot and 4 foot lengths with 15 LED watts per foot in RGB (red, blue, green), as well as Warm White 2800K, or Cool White 4200K color temperature, 90CRI. Rated average life of 50,000 hours. Link multiple Stratus fixtures to create long runs. Supplied with housing, field replaceable LED, and RGB power supply. Included components: Wall mounting bracket, joiner bracket, reflector, LED panel, RGB power supply, and louver. End cap accessory available, sold separately. Can be controlled with Color Dial Controller (CDP), Touch Screen Controller (CTP), or a CDMX1-RGBW Touch Controller, sold separately. ETL listed. Made in USA. Product is built to order.
