

# Banded Orb Pendant

**Designer:** Caleb Siemon & Carmen Salazar

**Description:**

The Banded Orb Pendant is a striking piece that draw inspiration from the rich hues and undulating topography of Southern California. Alternating layers of opaque and transparent colors are applied to clear glass. Overlaps create opportunities for new colors to be formed, which adds to the depth of the pieces. The intense color is then complemented by the simple shape. Hand blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. One 2.5 watt, 120 volt Medium base LED bulb is included. 9 inch width x 9 inch height x 72 inch length. UL Listed. Made in California and signed by Caleb and Carmen. Each piece is handmade; dimensions and color may vary slightly.
