

Nova T Fan Speed Control

Description:

Nova T slide-to-off fan speed controls are single pole 6 amps with adjustable minimum speed. Also available in 12-amp version. Can be used for one or more ceiling paddle fans or exhaust fans (do not mix fans types on one control). Can also be used as a combined fan control/light switch (360 watts incandescent). Derating is required if ganged with fins broken. Available colors include: beige, white, ivory, gray, brown, black or taupe. Metallic finishes can also be ordered. UL and CSA listed. Made in the USA.
