

Birdie Floor Lamp

Designer: Roberto & Ludovica Palomba

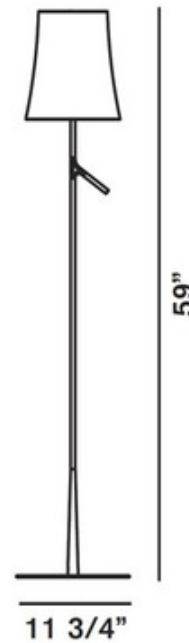

Description:

Made with sturdy yet lightweight materials, the floor-standing lamp Birdie has a different personality. In white, it can be discreet and almost invisible, but in amaranth, orange, or grey, it becomes more of a prima donna capable of playing the starring role of a room. Simply touch the branch to turn the lamp on or off. One 150 watt, 120 volt, T10 medium base halogen lamp is required, but not included. General light distribution. Designed by Ludovica E Roberto Palomba. 11.75 inch width x 59 inch height. UL listed.
