

Solar Outdoor Floor Fixture

Designer: Jean Marie Massaud

Description:

Solar is a new type of object, a contemporary hearth around which to gather and chat, at home or outside. Available in an indoor or outdoor version. Features white diffuser with a dark wood top. The hemispherical body, made of polyethylene, is stable even when it is tilted by 15 degrees. The angling determines the quantity of light diffused, allowing multiple effects and atmospheres to be created. One 25 watt, 120 volt, T3 coil medium base compact fluorescent lamp not included. General light distribution. 31.25 inch diameter x 14.88 inch height.
