

Birdie Table Lamp

Designer: Roberto & Ludovica Palomba

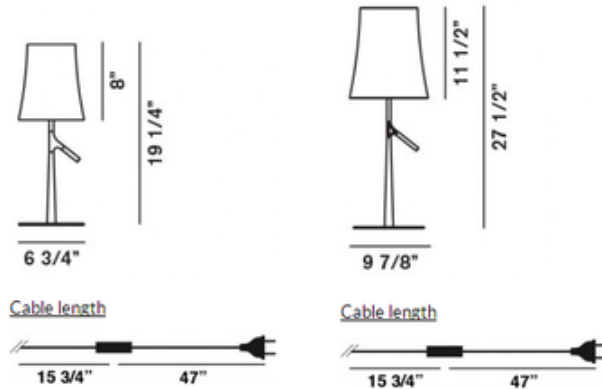

Description:

The Birdie Table Lamp is inspired by nature. The slim stem recalls the trunk of a tree, while the branch, as if ready for a bird to land, allows you to turn the lamp on or off. Whether beside an armchair or a sofa in the living room, on the desk in the study, on a bedside table, or in any other room of the house, Birdie fits in naturally and accompanies everyday life with a pleasantly stylish presence. Birdie is available in Amaranth, Grey, Orange, or White in two different sizes. Small: One 70 watt max 120 volt medium base halogen bulb is required, but not included. 6.75 inch base diameter x 19.25 in height. Shade height is 8 inches. Large: One 150 watt max 120 volt medium base halogen bulb is required, but not included. 9.9 inch base diameter x 27.5 inch height. Shade height is 11.5 inches. UL listed.
