

# Mini Signal Sign Woman

ADA

**Designer:** Stefan Kahrs

**Description:**

Mini Signal Sign Woman features an illuminated female cut-out figure in a metal panel as a universally recognized sign. The figure stands out in clear contrast to the striated background on which the panel is mounted. The lamp, housed in a rectangular panel at the top, illuminates the figure below it, as well as directing light onto the wall above the fixture. Grey lacquered finish. Also available in versions showing a man only or displaying a woman and man on the same sign. One 60 watt, 120 volt, G9 halogen lamp, included. ADA compliant. Upward and downward directed light distribution. Designed by stefan kahrs. Made in Spain.
