

DESIGNER BRAND Stefan Kahrs Raise Lighting

DESCRIPTION

Mini Signal Sign Man / Woman features a pair of illuminated male and female cut-out figures in a metal panel as a universally recognized sign. The figures stand out in clear contrast to the striated background on which the panel is mounted. The lamp, housed in a rectangular diffuser at the top, illuminates the figures below it, as well as directing light onto the wall above the fixture. Grey lacquered finish. Also available in versions showing a man only or a woman only. One 60 watt, 120 volt, G9 halogen lamp, included. ADA compliant. Upward and downward directed light distribution. Designed by stefan kahrs. Made in Spain.
