

Soft Line LED 24V Single Row Indirect

Shown in: Satin Aluminum

List Price: \$908.00
Our Price: \$726.40

Shade Color: N/A
Body Finish: Satin Aluminum
Lamp: 1 x LED/25W/24V LED
Wattage: 25W
Dimmer: Dimmable
Dimensions: 120"L x 1.25"W

Technical Information

Luminous Flux: 2890 lumens
Lumens/Watt: 115.60
Lamp Color: 3000 K
Color Rendering: 95 CRI
Lamp Life: 50000 hours

Description:

Soft Line Indirect LED Lighting System provides soft ambient illumination for decorative and architectural applications. The suspended aluminum channel is available with commercial-grade white (SS2C) Soft Strip. For compact shipment and storage, Soft Line coils like a retractable tape measure. When uncoiled, Soft Line becomes a 1.25 inch wide cupped, rigid channel that spans opposing walls, ceiling or floor surfaces. The 2.5 watt per foot 24 volt single row Soft Line indirect is field-cuttable and is sold in 5 foot increments from 10 to 40 feet. Available in Very Warm White 2700K or Warm White 3000K, 95+CRI, or Neutral White 3500K, Cool White 4000K or Daylight White 5700K, 85+CRI. 289 lumens per foot. 50,000 hour average lamp life. The cupped aluminum form contributes to the luminaire's structural rigidity, acts as a heat sink and shields system components from view. Can be powered using a low voltage electronic or 0-10V power supply. Low voltage electronic power supplies include a 60 watt, 100 watt or 2X100 watt option, and can be dimmed using a low voltage electronic dimmer (tested and approved: Legrand Adorne ADTP703TU, Lutron Diva DVELV-300P, Lutron Skylark SELV-300P, Lutron Maestro MAELV-600 and Lutron Radio Ra). 0-10V power supplies include a 96 watt or 2X96 watt option, and can be dimmed using a 0-10V dimmer (tested and approved: Philips Sunrise SR1200ZTUNV). Includes power feed and non-power feed turnbuckles. These adjustable turnbuckles support Soft Line, creating a 3-dimensional look that is as functional as it is visually interesting. Soft Line standoffs are available to provide additional mounting options on opposing wall, ceiling or floor surfaces, sold separately. ETL listed. Fixtures include a 5 year warranty.
