

# Birdie Table Lamp with Touch Dimmer

**Designer:** Roberto & Ludovica Palomba

**Description:**

Birdie Table Lamp With Touch Dimmer is available in a Amaranth, Orange, White or Grey finish. Available in two sizes. The slim stem recalls the trunk of a tree, its shade is a reinterpretation of the classic reading lamp, while the branch, as if ready for a birdie to alight, beckons your touch and allows you to turn the lamp on or off. These three elements spontaneously coalesce to give life to a friendly lamp, that combines a smooth and familiar structure with a boldly character. Whether beside an armchair or a sofa in the living room, on the desk in a study, on a bedside table, or in any other room of the house, Birdie fits naturally in and accompanies everyday life with a pleasantly stylish presence. Small: Requires one 60 watt 120 volt T10 medium base halogen lamp, not included. 6.75 inch diameter x 19.25 inch height. Large: Requires one 150 watt 120 volt T10 type medium base halogen lamp, not included. 9.9 inch diameter x 27.5 inch height. UL Listed.
