CRYSTAL TRIMMING DIRECTIONS

Begin trimming your chandelier after all of the electrical connections have been made, the lights have been tested and the chandelier is in good working order.

Begin dressing the chandelier and hanging the crystals in an Alphabetical Order.

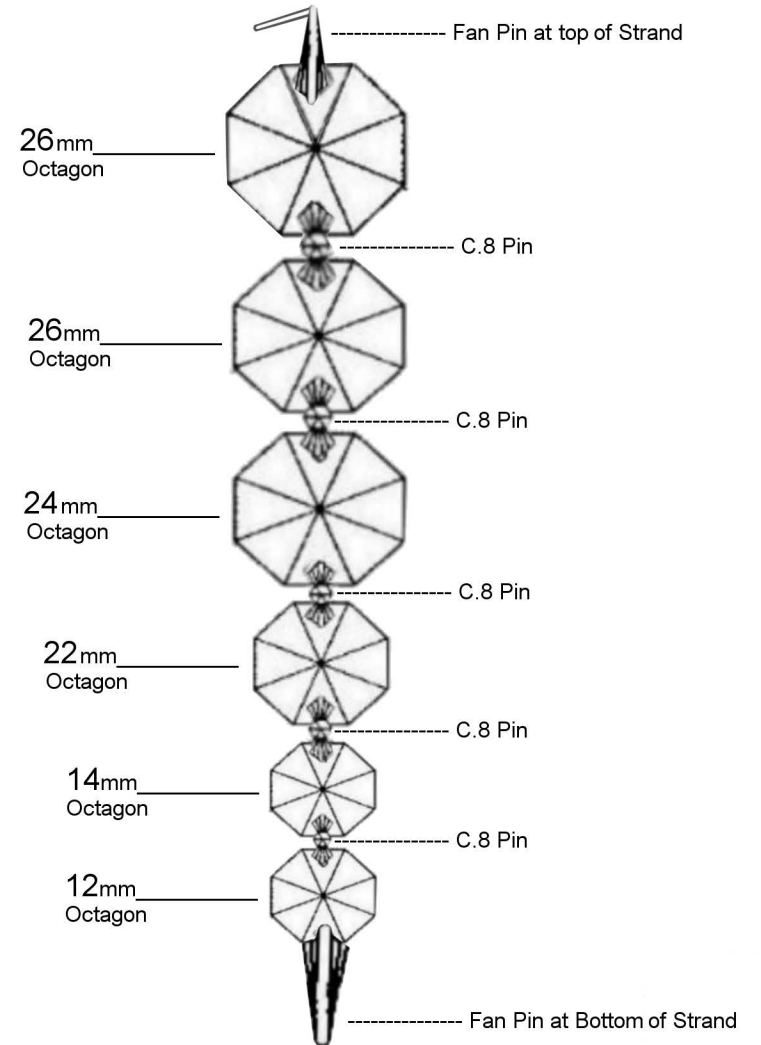

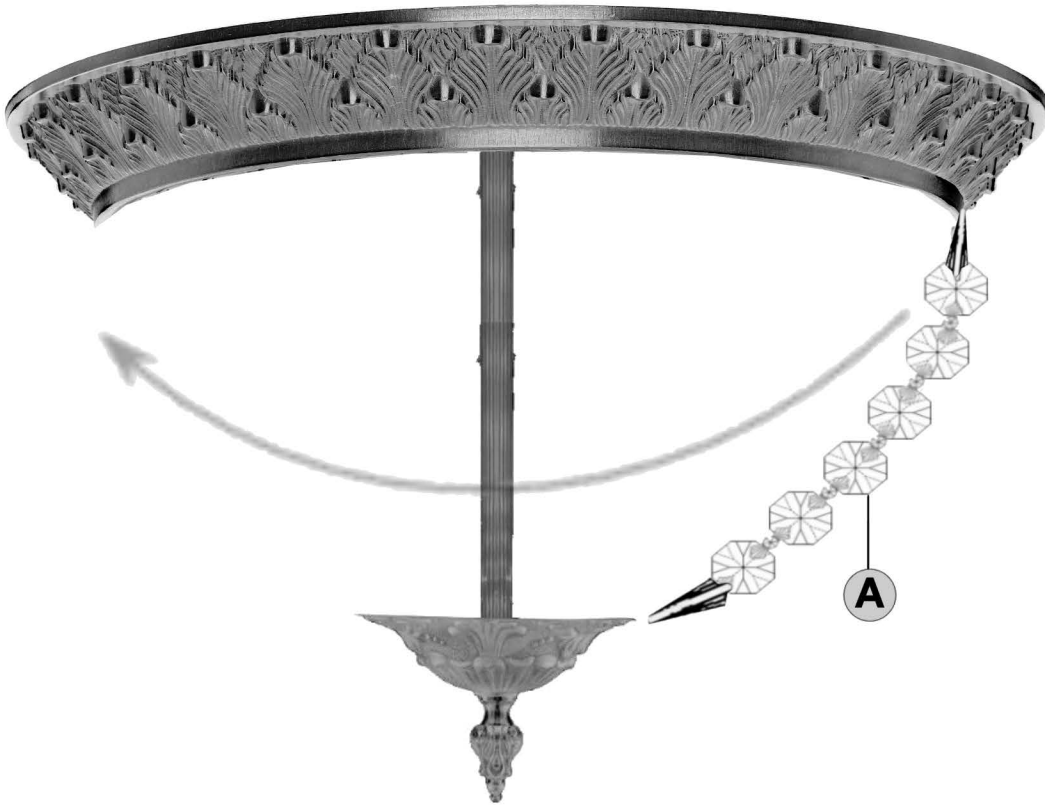

Do not unwrap the next letter package of crystal until the proceeding section has been completed.

MAIN RING BASKET CHAINS

Step: 1 Letter: A Quantity: 32

Attach the top of each of the 6-Octagon crystal strands to all of the stations around the perimeter of the main ring and then connect the bottom of the strands to the disc above the bottom cover. Note that each strand graduates from large to small crystals. Make sure the end with the larger crystals is connected at the main ring and the smaller crystal connected at the bottom.

Note: to access disc-remove cast finial & disc cover
