

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Install the loop (7) onto the nipple (8).
4. Unravel the supply power and ground wire and pass them through the center hole of stem (9) and loop (7). Thread the stem (9) onto the nipple (10).
5. Use carabiner (6) to connect the loop (7) to the chain (5). Use carabiner (4) to connect chain (5) to the loop (3), crystal accent (2), and the canopy (1). Twist the locking mechanism to secure.
6. Install Crystal (13) onto nipple (11), securing with ball nut (12).
7. Refer to the additional installation instructions included with the product for wiring and installation.
8. Install proper bulbs (not included) into each socket (14) referring to the markings and/or labels on the fixture for maximum wattage.
9. Restore power to the installation point and retain this sheet for future reference.
