

ASSEMBLY INSTRUCTIONS

1. Carefully unpack and identify all parts referring to illustration for parts identification.
2. Turn the power to the installation point OFF.
3. Determine the desired height at which the pendant will be installed and select the stems (6).
4. Unravel the supply power and ground wire and pass them through center hole of stem (6). Thread the first stem (6) onto the nipple (7) and repeat the process until all required stems (6) are threaded together.
5. Install the loop (4) onto the nipple (5).
6. Use the carabiner (3) to connect loop (4) to loop (2).
7. Install the canopy (1) to the ceiling using the mounting bracket.
8. Unfold arms to the respective angle orientation. (see drawing instruction above)
9. Refer to the additional installation instructions included with the product for wiring and installation.
10. Install proper bulbs (not included) into each socket (8) referring to the markings and/or labels on the fixture for maximum wattage.
11. Restore power to the installation point and retain this sheet for future reference.
