

CRYSTORAMA LIGHTING

ASSEMBLY INSTRUCTION MODEL #BGT-331-SG-GR

All electrical components must be installed by a licensed electrician in accordance with the National Electric Code and the appropriate local electrical codes.

You will need 2-Candela Base Bulb
40 Watts Recommended 60 Watts Max.

USE LED BULBS FOR EXTENDED USE

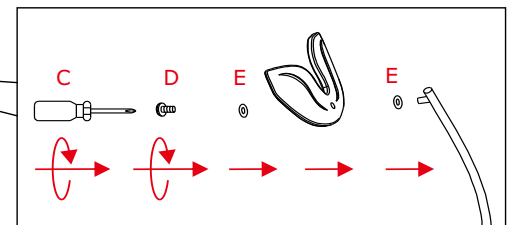

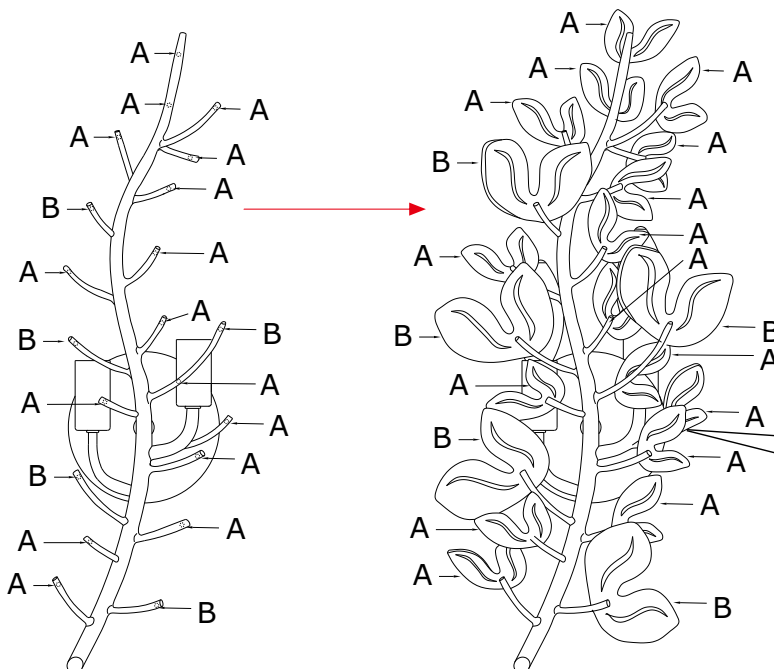

THIS FIXTURE IS DAMP RATED

How to install:

1. Attach the mounting plate onto the outlet box.
2. Install the backplate onto the mounting plate and secure it with the three side screws.
3. Insert recommended bulb(not included).

How to replace the glass leaves:

If a glass leaf is damaged, use a screwdriver to remove the defective glass leaf from the frame and replace it with a new one. During installation, do not overtighten the screws, as this may cause the glass to crack or break.

WARNING: This product can expose you to Lead, which is known to the State of California to cause cancer and/or birth defects or reproductive harm. For more information go to www.P65Warnings.ca.gov.
