

WARNING!

Be sure electrical power is OFF before and during installation or maintenance.
The luminaire must be installed by a qualified electrician, in accordance with all applicable local codes.

Ensure that the rated luminaire voltage requirements are compatible with the available mains supply in which it will be installed.
All LEDs are included in your lamp. Never touch the LED surface with your bare hands as this may reduce the life of your LED.
Do not alter, relocate or remove any electrical component.

Material: Natural Wood Veneer and MDF

INSTALLING THE FIXTURE ON CEILING

Turn OFF the power before start the installation.

REF.	/	Litgh bulb
305	/	1x E-26
1254	/	1x E-26
1139	/	1x E-26
1344	/	1x E-26
1428	/	1x E-26
1281	/	1x E-26
1429	/	1x E-26
1021	/	1x E-26
1255	/	1x E-26
1496	/	1x E-26

- 1 Pass the support steel cable through the small hole in the screw collar loop mounted on top of the luminaire. Ensure the ball-end of the cable stays inside of the loop in order to secure it in place.
- 2 Using the provided nut, fixate the cable gripper into the canopy, as shown on the picture. Insert the other end of the support steel cable into the adjustable e anchor mounted on the canopy until it is tight.
- 3 Reserve extra cable by wrapping it inside of the canopy. It is not necessary to cut the excess off, but ensure that the cable cannot touch any of the electrical connections.
- 4 After the canopy assembly is finished, level the fixture by making adjustments to the length of the cable as shown in the next step.

ADJUSTING THE FIXTURE HEIGHT

Choose the height (H) you want the luminaire to hang below the ceiling by pushing on the anchor to release tension. While pressing the tip, move the cable until it reaches the desired length. Release the tip and the cable will be locked again. Final adjustments can be made after the fixture is mounted.

Now you are ready to make the electrical connection.

ATTENTION!

FAILURE TO COMPLY WITH THESE INSTRUCTIONS MAY CAUSE ACCIDENTS AND LOSS OF PRODUCT WARRANTY.
It's recommended to read these instructions completely and carefully before proceeding.

SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE.

ACCORD Lighting guarantees coverage against manufacturing defects including electrical components and finishes, for a period of three years, under normal use, from the date of purchase. For warranty service, please contact your local dealer for further instructions. Proof of date of purchase will be required for validation of warranty service.

The responsibility of the manufacturer regarding the product warranty is related to the correct observation of the instructions contained in this manual.
The manufacturer is not responsible for any damage to the product caused by accidents, alterations of any kind, improper usage or improper installation.
