Finish: Antique Brass

Materials: Cast Aluminum

Item Weight: 7.5 lbs.

Shipping Method: P/OS

The characters in the Zen Brass Monkey Set are practicing an ancient art form as they take great care in making their gestures. But this doesn't mean the trio of gold sculptures in an antique-brass finish isn't seriously cute! They are made of cast aluminum with striations along their surfaces that mimic fur. This and their expressions make these animal sculptures read as authentic.
