Item Weight: 3 lbs.

Shipping Method: P/OS

The Fire Coral Set fools the eye into thinking it was retrieved from the bottom of the sea, but these specimens were fashioned in composite and given a finish that looks very real. The coral sculptures sit atop clear acrylic bases to keep the designs light and airy. The nature-inspired accessories will bring the ocean indoors in a seaside residence or any room where colorful accents are desired. Due to the artisanal material, the surface of each accessory could differ slightly.
