Safety Information

FIXTURE PARTS

- A. Integrated LED
- B. Shade
- C. Arm
- D. Stem
- E. Base
- F. Electrical Cord with Male & Female Connectors
- G. Adapter with Plug

INSTRUCTIONS

1. Remove the lamp and all its parts from the packaging.
2. Connect the electrical components by plugging the male and female connectors of the electrical cords together.
3. If necessary, attach the plug attachment to the adapter.
4. Plug the lamp into a functioning electrical outlet and test its operation.
5. Use the touch-sensitive switch to turn the lamp on/off and to adjust the brightness settings.
