+ installation

CANOPY CONNECTION

1. Locate desired canopy location on ceiling.

2. Connect fabric covered suspension cable from fixture to the cable gripper on the canopy.

3. Have a certified electrician connect +/- leads of suspension cable to 120 V domestic power.

4. Secure all connections.

5. Adjust all cables to desired heights (standard x length max. = 120")

hardware installation

1. Unscrew glass from wood top

2. Insert new G9 LED bulb into socket

3. Screw glass onto wood top
