ACCORD LIGHTING

3029
LED

ASSEMBLY INSTRUCTIONS
USA & CANADA

WARNING!
Be sure electrical power is OFF before and during installation or maintenance.
The luminaire must be installed by a qualified electrician, in accordance with all applicable local codes.

Ensure that the rated luminaire voltage requirements are compatible with the available mains supply in which it will be installed.
All LEDS are included in your lamp. Never touch the LED surface with your bear hands as this may reduce the life of your LED.
Do not alter, relocate or remove any electrical component.

Line: Faceted
Family: Floor Lamp
Description: Accord Spin Floor Lamp 3029

Material: Natural Wood Veneer, MDF, stainless steel, cotton.
Weight:

ASSEMBLING THE FIXTURE

Read carefully all the assembling instructions below and turn OFF energy power before starting the installation.

1. Remove the protecting package from the pieces taking care to not harm any parts with cutting surfaces or objects. Lay the parts of the fixture on some horizontal surface in order to connect them, if needed use the protecting package to soften the surface and protect the parts from getting scratched or harmed.

2. The socket's metallic support (S) needs to be assembled and fixed on the base of the floor lamp, start inserting the niple (N) fixed in the support, through the upper hole in the base.

3. Next, fix the strain relief (R) in the niple (N) fastening the same, until it is fixed.

4. With the socket's support fixed in the base of the floor lamp, remove the ring from the socket and fit the metallic structure of the shade, screwing it again in the place to finish the installation.

5. Install a LED UL-listed E-26 bulb respecting the limit of 25W.

6. Plug the floor lamp into an appropriate outlet and use the floor switch to turn it ON/OFF.

Your luminaire is ready for use.

ATENTION!
FAILURE TO COMPLY WITH THESE INSTRUCTIONS MAY CAUSE ACCIDENTS AND LOSS OF PRODUCT WARRANTY.
Its recommended to read these instructions completely and carefully before proceeding.

SAVE THESE INSTRUCTIONS FOR FUTURE REFERENCE.

ACCORD Lighting guarantees coverage against manufacturing defects including electrical components and finishes, for a period of three years, under normal use, from the date of purchase. For warranty service, please contact your local dealer for further instructions. Proof of date of purchase will be required for validation of warranty service.

The responsability of the manufacturer regarding the product warranty is related to the correct observation of the instructions contained in this manual.
The manufacturer is not responsible for any damage to the product caused by accidents, alterations of any kind, improper usage or improper installation.
See the website for additional warranty details.

ACCORD Lighting reserves the right to change the dimensions and specifications contained in this manual without prior notice, in accordance with its policy of continuous product improvement. Please, contact the manufacturer if additional information is necessary. The illustrations in this manual are for guidance only and may vary in scale, dimensions and model details.

MOUNTING ON THE FIXTURE

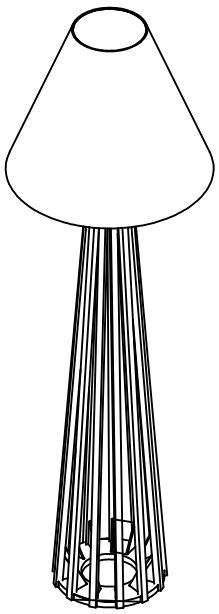

Turn off the electrical power before starting the installation, and keep it turned off until the installation is completed.

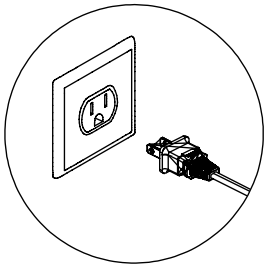

1. To install the shade, unscrew the socket nut, and insert the shade into the socket.
2. Tighten the socket nut to lock the shade to the socket.
3. Install an E26 bulb on the socket, with maximum 25W rating.
4. Use the switch on the power cord to turn the luminaire on/off.
5. Plug the luminaire into a proper outlet.

Your luminaire is ready for use.

SAFETY WHEN CONNECTING TO THE MAINS

This luminaire has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with adapters or extension cords unless the plug can be fully inserted. Do not alter the plug.

ATENTION!

FAILURE TO COMPLY WITH THESE INSTRUCTIONS MAY CAUSE ACCIDENTS AND LOSS OF PRODUCT WARRANTY.
