

# ASSEMBLY INSTRUCTIONS

## SCALLOP PENDANT LIGHT

3111802WB

- Carefully remove all parts from the carton and place them on a clean surface. Please refer to the below list of components included inside the carton.
- Decide on optimal placement of your ceiling pendant. Ideal placement will depend on the function of your light and the placement in the room.
- Mark drill holes for the ceiling mounting plate (B), drill and insert anchors (2) (A).
- Place mounting plate (B) over drill markings, drill into the wall and screw in mounting plate (B) using the bracket screws (2) (C) found attached to the mounting plate (B).
- Place the fixture (E) onto the mounting plate (B) and secure with screws (2) (D).
- Place the lamp shade (F) onto the fixture (E). Secure shade onto the socket assembly using the socket ring (G).
- Insert the LED bulb (I) provided . (Bulb: 14W A19 E26, Flicker-free, Dimmable).
- Place diffuser (I) over the steel tabs at the bottom of the shade (F).
- Plug into a surge protected 110v outlet and enjoy the beautiful light!

### IMPORTANT SAFETY INSTRUCTIONS

This lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Never use with an extension cord unless the plug can be fully inserted. Do not alter the plug.

### IMPORTANTES INSTRUCCIONES DE SEGURIDAD

Esta lampara tiene un enchufe polarizado (una navaja es mas ancha que la otra) como forma de seguridad para reducir el riesgo de un shock electrico. Este enchufe polarizado entrara en una conexi3n solo de un lado. Si el enchufe no entra en la conexi3n trate al reverso. Si aun asi no entra, contacte a un electricista calificado. Nunca use una extension a menos que el enchufe pueda ser conectado completamente. No altere el enchufe.
