

Installation Instructions for **Monorail 2 Circuit Ceiling "L" Conductive Connector**

IMPORTANT INFORMATION

- This product is ETL listed for indoor dry locations.
- This product joins and electrically conducts two Monorail 2 Circuit sections end to end at 90° angle for ceiling installation.
- The product is intended to be used with Edge Lighting Monorail 2 Circuit systems only.

SAVE THESE INSTRUCTIONS!

Install the Monorail 2 Circuit Ceiling "L" Connector

1: Push the Monorail 2 Circuit ceiling "L" connector pins completely into one Monorail 2 Circuit section. **Make sure this Monorail section is secured with the standoffs (Refer to the instructions provided with the standoffs).**

2: Push the other Monorail section completely onto the Monorail 2 Circuit ceiling "L" connector pins and simultaneously connect the Monorail 2 Circuit to the standoffs.
