

## Installation Instructions for **Monorail Straight Conductive Connector**

### IMPORTANT INFORMATION

- This product is ETL listed for indoor dry locations.
- This product joins and electrically conducts two Monorail sections end to end.
- The product is intended to be used with Edge Lighting Monorail systems only.

**SAVE THESE INSTRUCTIONS!**

## Install the Monorail Straight Conductive Connector

**1:** Push the Monorail straight conductive connector pins completely into one Monorail section. **Make sure this Monorail section is secured with the standoffs (Refer to the instructions provided with the standoffs).**

**2:** Push the other Monorail section completely onto the Monorail straight conductive connector pins and simultaneously connect the Monorail to the standoffs.
