Assembly Guide for **MicroTrack 48V Systems with Light Bar Fixtures**

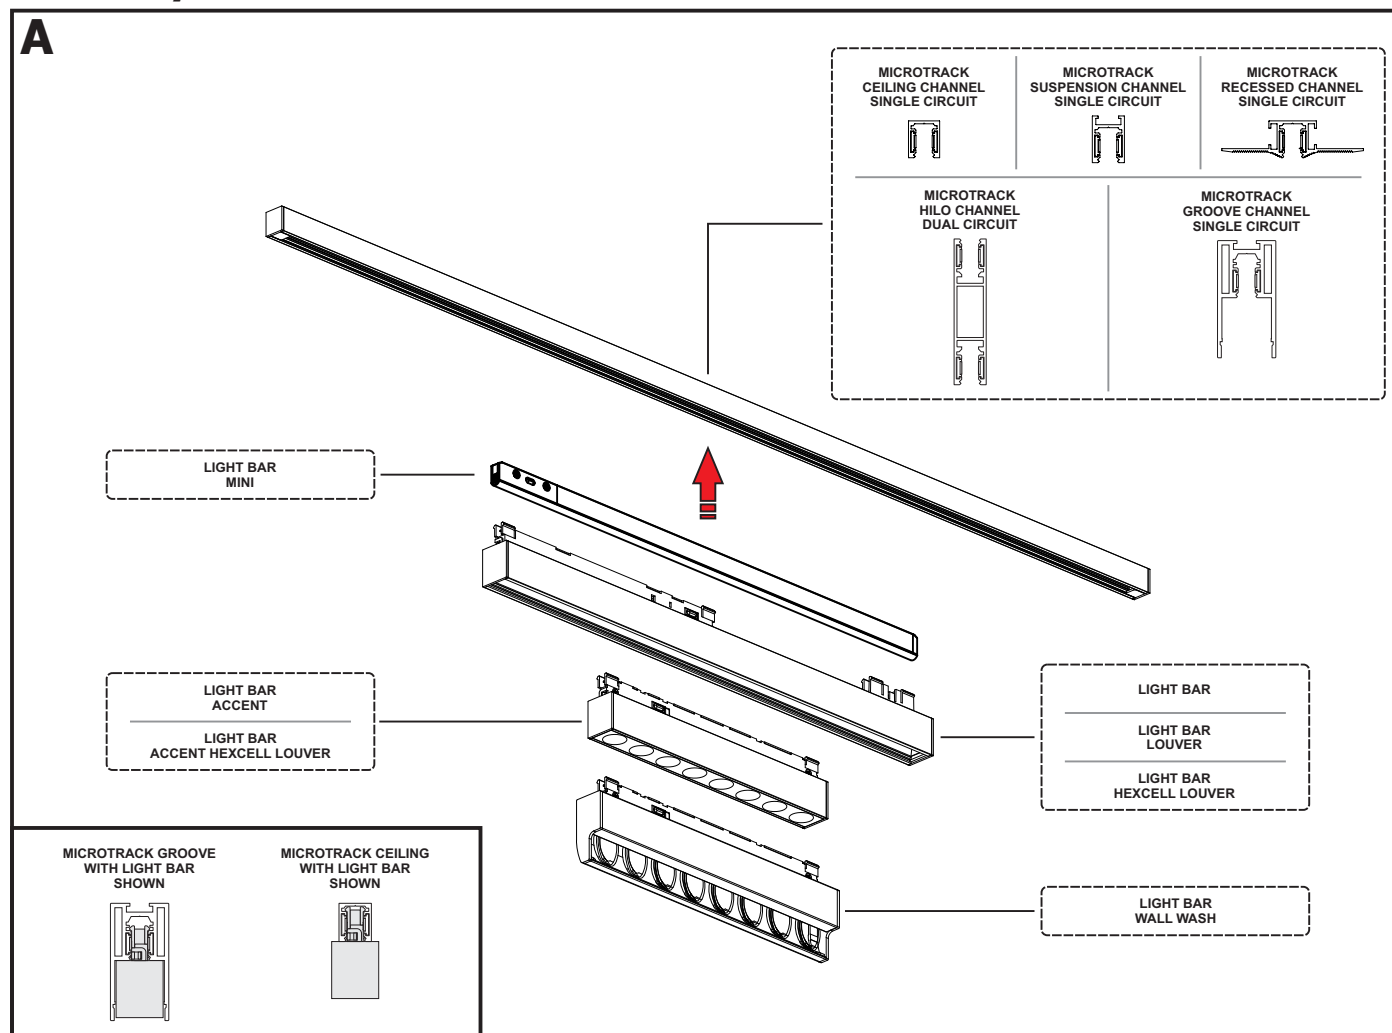

IMPORTANT INFORMATION

- This product must be installed by a qualified electrician and in accordance with local electrical codes.
- Before beginning any electrical work, ensure that power is turned **OFF**.
- **DO NOT** install any luminaire assembly close to any curtain or similar combustible material.
- Only install luminaires identified with Pure Edge Lighting track systems.
- This instruction shows a typical installation.

Assembly Guide

A

1: Determine the location of the Light Bar on the track. Push the Light Bar into the track.

NOTE: Light Bars sit inside the Groove channel. For the remaining Micro Track channels, Light Bars sit on the channel (see inset).

B
