## Assembly Guide for Micro Track 48V Systems with Track Heads

### IMPORTANT INFORMATION

- This product must be installed by a qualified electrician and in accordance with local electrical codes.
- Before beginning any electrical work, ensure that power is turned **OFF**.
- **DO NOT** install any luminaire assembly close to any curtain or similar combustible material.
- Only install luminaires identified with Pure Edge Lighting track systems.
- This instruction shows a typical installation.

**SAVE THESE INSTRUCTIONS!**

COMPONENTS  
AND ACCESSORIES

- 1: If necessary, unscrew the lens holder or snoot. Replace the lens or replace the accessory. Place the accessory in front of the lens and screw the lens holder or snoot back into the fixture to secure in place.
- 2: Place the track head into the track. Tighten the slotted screws using a flat head screw driver to secure in place.

**B**

**3:** For the MT48 Teeny Track Head, push the track head into the track.
