ALINE

Reviving a classic cone silhouette and updating it for today, Aline is an elegant companion to daily life. Designed by Afteroom, the pendant's shade boasts a clean, modern outline, supported by a powder-coated aluminium ring that comes in four colourways. An exercise in thoughtful simplicity, the translucent shade brings a calming atmospheric light to the entire room, as well as illuminating the area directly below – making it flexible enough for any use at work or home. Available in two sizes, the lightweight plastic shade is fully recyclable and can be easily detached for seamless updates.
